

We are excited to share that our staff have been working hard to offer a variety of unique and engaging program opportunities for St. Croix Prep Students during June through August 2023!

These opportunities will be at no cost to enrolled St. Croix Prep students (incoming 1st-12th graders only) and are possible with remaining funds from our final year of a Federal COVID Relief grant.

SCPA will be offering limited programs for all ages throughout the summer focused on developing each student's academic potential, personal character, and leadership qualities.

These programs will feature a variety of experiences designed to build a stronger sense of school, self, and community. Summer Fun 2023 will consist of on and off-site programs for all ages, some led by St. Croix Prep staff and some by outside guest instructors. We will also be offering some fun day and overnight field-trips.

**Additional program opportunities were added May 26th
Check back early June when we add more July-August programs**

SUMMER FUN 2023 - REGISTRATION FAQs

- Even though there is no cost to participate, we are still using our Schoolpay system for registration purposes. Login to your account there to enroll your student(s).
- Program registration will close two weeks prior to the first/only day of a program. If the required minimum number of registrations are not met, some programs may be canceled, Families will be notified at that time, if that were to occur. If a program is full, students can sign up to be on a waitlist and will be contacted as space becomes available.
