

ST. CROIX PREPARATORY ACADEMY STUDENT DISCIPLINE Policy #506

I. PURPOSE

The purpose of this policy is to ensure that students are aware of and comply with the school's expectations for student conduct. Such compliance will enhance the school's ability to maintain discipline and ensure that there is no interference with the educational process. The school will take appropriate disciplinary action when students fail to adhere to the Code of Student Conduct established by this policy.

II. GENERAL STATEMENT OF POLICY

The school board recognizes that individual responsibility and mutual respect are essential components of the educational process. The school board further recognizes that nurturing the maturity of each student is of primary importance and is closely linked with the balance that must be maintained between authority and self-discipline as the individual progresses from a child's dependence on authority to the more mature behavior of self-control.

All students are entitled to learn and develop in a setting which promotes respect of self, others, and property. Students must conduct themselves in an appropriate manner that maintains a climate in which learning can take place. Proper student conduct is necessary to facilitate the education process and to create an atmosphere conducive to high student achievement.

Although this policy emphasizes the development of self-discipline, it is recognized that there are instances when it will be necessary to administer disciplinary measures. It is the position of the school that a fair school-wide student discipline policy will contribute to the quality of the student's educational experience. This discipline policy is adopted in accordance with and subject to the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56.

In view of the foregoing and in accordance with Minn. Stat. § 121A.55, the school board has developed this policy which governs student conduct and applies to all students of the school.

XI. REMOVAL OF STUDENTS FROM CLASS

- A. Teachers have the responsibility of attempting to modify disruptive student behavior by such means as conferring with the student, using positive reinforcement, assigning detention or other consequences, or contacting the student's parents. When such measures fail, or when the teacher determines it is otherwise appropriate based upon the student's conduct, the teacher shall have the authority to remove the student from class pursuant to the procedures established by this discipline policy. "Removal from class" and "removal" mean any actions taken by a teacher, principal, executive director, or other school employee to prohibit a student from attending a class or activity period for a period of time not to exceed five (5) periods pursuant to this discipline policy.

Grounds for removal from class shall include any of the following:

1. Willful conduct that significantly disrupts the rights of others to an education, including conduct that interferes with a teacher's ability to teach or communicate effectively with students in a class or with the ability of other students to learn;

Such removal shall be for at least one (1) activity period or class period of instruction for a given course of study and shall not exceed five (5) such periods.

- B. Any student who engages in assault or other violent behavior shall be immediately removed from class.

- C. If a student is removed from class more than three (3) times in a quarter, the school will typically notify the parent or guardian of the student's fourth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class. If a student is removed from class more than ten (10) times in a school year, the school shall notify the parent or guardian of the student's tenth removal from class and make reasonable attempts to convene a meeting with the student's parent or guardian to discuss the problem that is causing the student to be removed from class.
- D. **Procedures for Removal of a Student from a Class.** In order to remove a student from class, the teacher, administrator or other designated staff member shall follow the established communication procedures depending on the circumstances. The designated staff member will proceed immediately to the classroom or other school location to facilitate the removal of the student. - G. **Procedures for Notification.** Whenever disciplinary action is required, other than re-direction in the ordinary course of classroom management, contact will be made with the parent/guardian consisting of an explanation of the situation, the action that was taken and other information deemed relevant under the circumstances. Copies of all such correspondence/ notes home shall be kept in appropriate files.
- H. **Students with Disabilities; Special Provisions.**
 - 1. Procedures for consideration of whether there is a need for further assessment can be found in the school's Total Special Education System manual.

3. Any procedures determined appropriate for referring students in need of special education services to those services can be found in the school's Total Special Education System manual.

XII. DISMISSAL

- A. "Dismissal" means the denial of the current educational program to any student, including exclusion, expulsion and suspension. Dismissal does not include removal from class.

The school shall not deny due process or equal protection of the law to any student involved in a dismissal proceeding which may result in suspension, exclusion or expulsion.

The school shall not dismiss any student without attempting to use nonexclusionary disciplinary policies and practices before dismissal proceedings or pupil withdrawal agreements, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property.

- B. Violations leading to suspension, based upon severity, may also be grounds for actions leading to expulsion, and/or exclusion. A student may be dismissed on any of the following grounds:
1. Willful violation of any reasonable school board regulation, including those found in this policy;
 2. Willful conduct that significantly disrupts the rights of others to an education, or the ability of school personnel to perform their duties, or school sponsored extracurricular activities; or

- C. Disciplinary Dismissals Prohibited
1. A pupil enrolled in the following is not subject to dismissals under the Pupil Fair Dismissal Act:

 2. This section does not apply to a dismissal from school for less than one school

day, except as provided under Minnesota Statutes, chapter 125A and federal law for a student receiving special education services.

3. Notwithstanding this section, expulsions and exclusions may be used only after the nonexclusionary discipline resources outlined in Minnesota Statutes, section 121A.425, subdivision 2, have been exhausted, and only in circumstances where there is an ongoing serious safety threat to the child or others.

D. Suspension Procedures

1. “Suspension” means an action by the school administration, under rules promulgated by the School Board, prohibiting a student from attending school for a period of no more than ten (10) school days; provided, however, if a suspension is longer than five (5) school days, the suspending administrator shall provide the executive director with a reason for the longer term of suspension. This definition does not apply to dismissal for one (1) school day or less, except as may be provided in federal law for a student with a disability.
2. School administration must allow a suspended pupil the opportunity to complete all school work assigned during the period of the pupil's suspension and to receive full credit for satisfactorily completing the assignments.
3. If a student's total days of removal from school exceed ten (10) cumulative days in a school year, the school shall make reasonable attempts to convene a meeting with the student and the student's parent or guardian before subsequently removing the student from school and, with the permission of the parent or guardian, arrange for a mental health screening for the student at the parent or guardian's expense. The purpose of this meeting is to attempt to determine the pupil's need for assessment or other services or whether the parent or guardian should have the student assessed or diagnosed to determine whether the student needs treatment for a mental health disorder.
4. The definition of suspension under Minnesota Statutes, section 121A.41, subdivision 10, does not apply to a student's dismissal from school for one school day or less, except as provided under federal law for a student with a disability. Each suspension action may include a readmission plan. The plan shall include, where appropriate, a provision for implementing alternative educational services upon readmission which must not be used to extend the current suspension. A readmission plan must not obligate a parent or guardian to provide psychotropic drugs to their student as a condition of readmission. School administration must not use the refusal of a parent or guardian to consent to the administration of psychotropic drugs to their student or to consent to a psychiatric evaluation,

screening, or examination of the student as a ground, by itself, to prohibit the student from attending class or participating in a school-related activity, or as a basis of a charge of child abuse, child neglect, or medical or educational neglect. The school administration may not impose consecutive suspensions against the same student for the same course of conduct, or incident of misconduct, except where the student will create an immediate and substantial danger to self or to surrounding persons or property or where the school is in the process of initiating an expulsion, in which case the school administration may extend the suspension to a total of fifteen (15) days.

5. A child with a disability may be suspended. When a child with a disability has been suspended for more than five (5) consecutive school days or ten (10) cumulative school days in the same year, and that suspension does not involve a recommendation for expulsion or exclusion or other change in placement under federal law, relevant members of the child's IEP team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's IEP. That meeting must occur as soon as possible, but no more than ten (10) days after the sixth (6th) consecutive day of suspension or the tenth (10th) cumulative day of suspension has elapsed.
6. Alternative education services must be provided to a pupil who is suspended for more than five (5) consecutive school days. Alternative educational services may include, but are not limited to, special tutoring, modified curriculum, modified instruction, other modifications or adaptations, instruction through electronic media, special education services as indicated by appropriate assessments, homebound instruction, supervised homework, or enrollment in another district or in an alternative learning center under Minn. Stat. § 123A.05 selected to allow the pupil to progress toward meeting graduation standards under Minn. Stat. § 120B.02, although in a different setting.
7. The school administration shall not suspend a student from school without an informal administrative conference with the student. The informal administrative conference shall take place before the suspension, except where it appears that the student will create an immediate and substantial danger to self or to surrounding persons or property, in which case the conference shall take place as soon as practicable following the suspension. At the informal administrative conference, a school administrator shall notify the student of the grounds for the suspension, provide an explanation of the evidence the authorities have, and the student may present the student's version of the facts. A separate administrative conference is required for each period of suspension.

8. After school administration notifies a student of the grounds for suspension, school administration may, instead of imposing the suspension, do one or more of the following:
 - a. partner with the parent on additional support services for the student
 - b. assign the student to engage in a restorative justice practice
 - c. petition the juvenile court that the student is in need of services under Minn. Stat. Ch. 260C.
9. A written notice containing the grounds for suspension, a brief statement of the facts, a description of the testimony, a readmission plan, and a copy of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56, shall be personally served upon the student at or before the time the suspension is to take effect, and upon the student's parent or guardian by mail within forty-eight (48) hours of the conference.
10. The school administration shall make reasonable efforts to notify the student's parent or guardian of the suspension by telephone as soon as possible following suspension.
11. In the event a student is suspended without an informal administrative conference on the grounds that the student will create an immediate and substantial danger to surrounding persons or property, the written notice shall be served upon the student and the student's parent or guardian within forty-eight (48) hours of the suspension. Service by mail shall be complete upon mailing.
12. Notwithstanding the foregoing provisions, the student may be suspended pending the school board's decision in an expulsion or exclusion proceeding, provided that alternative educational services are implemented to the extent that suspension exceeds five (5) consecutive school days.

E. Expulsion and Exclusion Procedures

1. "Expulsion" means a school board action to prohibit an enrolled student from further attendance for up to twelve (12) months from the date the student is expelled. The authority to expel rests with the school board.
2. "Exclusion" means an action taken by the school board to prevent enrollment or re-enrollment of a student for a period that shall not extend beyond the school year. The authority to exclude rests with the school board.

3. All expulsion and exclusion proceedings will be held pursuant to and in accordance with the provisions of the Minnesota Pupil Fair Dismissal Act, Minn. Stat. §§121A.40-121A.56.
4. No expulsion or exclusion shall be imposed without a hearing, unless the right to a hearing is waived in writing by the student and parent or guardian.
5. The student and parent or guardian shall be provided written notice of the school's intent to initiate expulsion or exclusion proceedings. This notice shall be served upon the student and his or her parent or guardian personally or by mail, and shall contain a complete statement of the facts; a list of the witnesses and a description of their testimony; state the date, time and place of hearing; be accompanied by a copy of the Pupil Fair Dismissal Act, Minn. Stat. §§ 121A.40-121A.56; describe nonexclusionary disciplinary practices accorded the student in an attempt to avoid the expulsion proceedings; and inform the student and parent or guardian of their right to: (1) have a representative of the student's own choosing, including legal counsel at the hearing; (2) examine the student's records before the hearing; (3) present evidence; and (4) confront and cross-examine witnesses. 8. The school shall record the hearing proceedings at school expense, and a party may obtain a transcript at its own expense.
9. The student shall have a right to a representative of the student's own choosing, including legal counsel, at the student's sole expense. The school must advise the student's parent or guardian that free or low-cost legal assistance may be available and that a legal assistance resource list is available from MDE and is posted on the MDE's website. The school board may appoint an attorney to represent the school in any proceeding.
10. If the student designates a representative other than the parent or guardian, the representative must have a written authorization from the student and the

parent or guardian providing them with access to and/or copies of the student's records.

11. All expulsion or exclusion hearings shall take place before and be conducted by (1) an independent hearing officer, (2) a member of the school board, (3) a committee of the school board, or (4) the full school board, as designated by the school. The hearing shall be conducted in a fair and impartial manner. Testimony shall be given under oath and the hearing officer, school board member, board committee, or school board shall have the power to issue subpoenas and administer oaths.

15. The student cannot be compelled to testify in the dismissal proceedings.
16. The hearing officer, school board member, or board committee shall prepare findings and a recommendation based solely upon substantial evidence presented at the hearing, which must be made to the school board and served upon the parties within two (2) days after the close of the hearing.
17. The school board shall base its decision upon the findings and recommendation of the hearing officer, school board member, or board committee and shall render its decision at a meeting held within five (5) days after receiving the findings and recommendation. The school board may provide the parties with the opportunity to present exceptions and comments to the findings and recommendation by the hearing officer, school board member, or board committee provided that neither party presents any evidence not admitted at the hearing. The decision by the school board must be based on the record, must be in writing, and must state the controlling facts on which the decision is made in sufficient detail to apprise the parties and the Commissioner of Education (Commissioner) of the basis and reason for the decision.

18. A party to an expulsion or exclusion decision made by the school board may appeal the decision to the Commissioner within twenty-one (21) calendar days of school board action pursuant to Minn. Stat. § 121A.49. The decision of the school board shall be implemented during the appeal to the Commissioner.
19. The school shall report any suspension, expulsion or exclusion action taken to the appropriate public service agency, when the student is under the supervision of such agency.
20. The school must report, through the MDE electronic reporting system, each expulsion or exclusion within thirty (30) days of the effective date of the action to the Commissioner. This report must include a statement of alternative educational services given the student and the reason for, the effective date, and the duration of the exclusion or expulsion. The report must also include the student's age, grade, gender, race, and special education status. The dismissal report must include state student identification numbers of affected students.
21. Whenever a student fails to return to school within ten (10) school days of the termination of dismissal, a school administrator shall inform the student and his/her parent or guardian by mail of the student's right to attend and to be reinstated in the school.

XIII. ADMISSION OR READMISSION PLAN

A school administrator must prepare and enforce an admission or readmission plan for any student who is excluded or expelled from school. The plan must include measures to improve the student's behavior, which may include completing a character education program consistent with Minn. Stat. § 120B.232, Subd. 1, social and emotional learning, counseling, social work services, mental health services, referrals for special education or 504 evaluation, and evidence-based academic interventions. The plan must include reasonable attempts to obtain parental involvement in the admission or readmission process, and may indicate the consequences to the student of not improving the student's behavior. The readmission plan must not obligate parents to provide a sympathomimetic medication for their child as a condition of readmission.

XIV. NOTIFICATION OF POLICY VIOLATIONS

Notification of any violation of this policy and resulting disciplinary action shall be as provided herein, or as otherwise provided by the Pupil Fair Dismissal Act or other applicable law. The teacher, principal, executive director, or other school official may provide additional notification as deemed appropriate.

In addition, the school must report, through the MDE electronic reporting system, each exclusion or expulsion, each physical assault of a school employee by a pupil, and each pupil withdrawal agreement within thirty (30) days of the effective date of the dismissal action, pupil withdrawal, or assault, to the MDE Commissioner. This report must include a statement of the nonexclusionary disciplinary practices, or other sanction, intervention, or resolution in response to the assault given to the pupil and the reason for, the effective date, and the duration of the exclusion or expulsion or other sanction, intervention, or resolution. The report must also include the pupil's age, grade, gender, race, and special education status.

XV. STUDENT DISCIPLINE RECORDS

It is the policy of the school that complete and accurate student discipline records be maintained. The collection, dissemination, and maintenance of student discipline records shall be consistent with applicable school policies and federal and state law, including the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13.

XVI. STUDENTS WITH DISABILITIES

Students who are currently identified as eligible under the IDEA or Section 504 will be subject to the provisions of this policy, unless the student's IEP or 504 plan specifies a necessary modification.

Before initiating an expulsion or exclusion of a student with a disability, relevant members of the child's IEP team and the child's parent shall, consistent with federal law, conduct a manifestation determination and determine whether the child's behavior was (i) caused by or had a direct and substantial relationship to the child's disability or (ii) whether the child's conduct was a direct result of a failure to implement the child's IEP. If the student's educational program is appropriate and the behavior is not a manifestation of the student's disability, the school will proceed with discipline - up to and including expulsion - as if the student did not have a disability, unless the student's educational program provides otherwise. If the team determines that the behavior subject to discipline is a manifestation of the student's disability, the team shall conduct a functional behavioral assessment and implement a behavioral intervention plan for such student provided that the school had not conducted such assessment prior to the manifestation determination before the behavior that resulted in a change of placement. Where a behavioral intervention plan previously has been developed, the team will review the behavioral intervention plan and modify it as necessary to address the behavior.

When a student who has an IEP is excluded or expelled for misbehavior that is not a manifestation of the student's disability, the school shall continue to provide special education and related services during the period of expulsion or exclusion.

XVII. DISCIPLINE COMPLAINT PROCEDURE

- A. Students, parents, legal guardians, and school staff members may file a complaint and seek corrective action if they believe the District has not appropriately implemented Minnesota Statutes sections 121A.40 to 121A.61, including the District's code of conduct for students or the District's discipline policies, or has implemented them in a discriminatory manner.
- B. The complaint must be filed in writing with the school principal. If the school principal is the subject of the complaint, the complaint must be filed directly with the executive director.

- E. The investigator will apply a preponderance of the evidence standard in determining whether the allegations have been substantiated.
- F. After completing the investigation, the investigator will issue a written determination to the complainant that contains findings and conclusions and addresses each allegation.
- G. If the investigator determines that the requirements of Minnesota Statutes sections 121A.40 to 121A.61, including the District's code of conduct for students or the District's discipline policies, were not implemented or were implemented in a discriminatory manner, the report of findings will include a corrective action plan to correct the student's record, if appropriate, and to provide relevant staff with training, coaching, or other accountability practices to ensure appropriate compliance with policies in the future.
- H. The complaint and any records resulting from the investigation will be maintained by the building principal or, if the principal is the subject of the complaint, by the executive director or a designee. Access to the records will be governed by the Minnesota Government Data Practices Act and will not be disclosed except as permitted by law.
- I. The school district prohibits reprisals or retaliation against any person who asserts, alleges, or reports a complaint, and will impose appropriate consequences for any person who engages in reprisal or retaliation. Submission of a discipline complaint will not affect the complainant's or reporter's future employment, grades, work assignments, or educational or work environment.
- J. A party to an exclusion or expulsion decision made under sections 121A.40 to 121A.56 may appeal the decision to the commissioner of education within 21 calendar days of school board action. Upon being served with a notice of appeal, the district shall provide the commissioner and the parent or guardian with a complete copy of the hearing record within five days of its

receipt of the notice of appeal. All written submissions by the appellant must be submitted and served on the respondent within ten days of its actual receipt of the transcript. All written submissions by the respondent must be submitted and served on the appellant within ten days of its actual receipt of the written submissions of the appellant. The decision of the school board must be implemented during the appeal to the commissioner.

K. The District will communicate this policy as set forth in Section XVIII below.

The school will notify students and parents of the existence and contents of this policy in such manner as it deems appropriate. Copies of this discipline policy shall be made available to all students and parents at the commencement of each school year and to all new students and parents upon enrollment. This policy shall also be available upon request in each principal or executive director's office.
