COMMITMENT TO SAFETY

As parents and educators, we understand the concern for every child's well-being. We will never operate a tour if we believe the safety of a single participant is compromised. Our safety and security measures include:

On-Call Physicians

School Tours of America utilizes the services of on-call physicians who can meet the group at the hotel, and if necessary, students always have access to the region's first-rate hospitals.

Professional, Bonded Security

Private guards are stationed on hotel floors each night, ensuring that students adhere to the strict nightly curfew.

Full Insurance Coverage

Tour participants are automatically covered by medical, dental and accident insurance.

Identification

All students wear a wristband or lanyard listing our 24/7 emergency contact information.

Safety & Security

All tour staff is trained using a detailed Safety Contingency Plan. Our East Coast office provides immediate response and communication with local and federal authorities, and maintains a 24/7 dedicated, toll-free phone line exclusively for parents and students.

On-Tour Representative

A representative from STA stays in the hotel 24/7 to ensure a direct line of communication at all times. Our team is available for every group at every destination.

“Every member of the School Tours of America family shares the united mission of providing your child the safest, most memorable tour that will become a milestone in their life.”
