COMMUNITY

St. Croix Preparatory Academy is a K-12 charter school that opened in an eastern suburb of Minneapolis/St. Paul in the fall of 2004 and now serves over 1,200 students. We offer a demanding classical, liberal arts curriculum with an additional emphasis on development of each student's personal character and leadership qualities.

PHILOSOPHY

St. Croix Preparatory Academy was founded on a classical model of education, grounded in the time-tested methodology of the Trivium. Our model focuses on providing students with lifelong learning tools while encouraging them to think independently. The Trivium corresponds to the student's cognitive development, and recognizes that critical learning skills must precede critical thinking skills: K-4 - Grammar (Knowledge), 5-8 - Logic (Understanding), 9-12 - Rhetoric (Communication). Upper School students focus on synthesis and evaluation across the curriculum.

ENVIRONMENT

Set on 58 acres in the St. Croix River Valley, the learning environment at St. Croix Prep is centered on an integrated, rigorous standards-based curriculum in all core areas. One building houses grades K-12, enabling and encouraging interdisciplinary approaches to curriculum as well as cross-grade level opportunities for leadership and mentorship.

EXPECTATION

St. Croix Preparatory Academy purposefully sets high expectations for all students, staff and parents. St. Croix Prep students develop the skills necessary to be successful at all post-secondary institutions, including highly-selective schools. A St. Croix Prep student understands that a post-secondary education is expected. The school emphasizes character development through community service hours required for graduation.

COLLEGE PREPARATORY CURRICULUM

St. Croix Preparatory Academy Upper School offers 112 courses within a classical, college preparatory curriculum. This curriculum combines formal classes, laboratory work and Socratic Seminars* to draw out each student's inner curiosity and passion. Students have the opportunity to enroll in 34 Honors and AP classes and are expected to have full course loads all four years.

**Rooted in the St. Croix Prep mission of a rich, classically based education, Socratic Seminars feature collaborative, intellectual dialogue facilitated by open-ended questions. Students are challenged to think critically as they use primary sources to explore original texts, artwork and music. Upper School students participate in over 20 Socratic Seminars across content areas each year.*

Track

- ♦ Boys Conference Champions – 2013, 2014, 2015.
- ♦ Boys State Individual Qualifiers – 2013, 2014, 2016, 2017, 2020, 2021, 2022, 2023, 2024, 2025
- ♦ Girls State Individual Qualifiers – 2015, 2023, 2024, 2025

Vocal Music

- ♦ Superior/Gold rating at the Heritage Festival in Chicago, IL.

SERVICE HOURS FOR GRADUATION

As an emphasis upon character development, all students are required to perform 50 hours of service in order to fulfill their graduation requirements.

YEARLY PRESENTATIONS

Every student in the Upper School delivers a presentation at the end of Quarter 3. These presentations merge the St. Croix Prep mission of academics, character, leadership, with the lived experiences of our students. As a capstone project, the objective of the presentation is to highlight individual experience and growth.

EDUCATIONAL TRAVEL/ENRICHMENT

St. Croix Prep believes in the value of educational travel and is offered to all Upper School students beginning in 9th grade. Juniors and Seniors are encouraged to participate in a summer trip to Rome and Florence, Italy and/or England/Greece
